MEMBERSHIP APPLICATION/RENEWAL
“Seeking Leadership and Accountability in Local Government”

The Rabun County Alliance (RCA) began in January 2001 as an all-volunteer political action organization serving the needs of Rabun Co., including the lakes and surrounding neighborhoods. Monitoring the level of taxes paid in relation to the services received by local citizens, our property owners want safe paved roads, excellent law enforcement, superior health care, lower fire insurance rates and improvement in ‘quality of life’ issues. RCA’s main focus is with the Rabun County Commission and its elected officials. There are no membership dues. Please print and mail, or email to Rabuncountyalliance@gmail.com
